Mr Albert Williams
116 E. Middle Lane
Pockville Md.

Dear Albert:

What a pleasant surprise to receive your letter. I had sent you a package Christmas, and it was returned, because you had not sent me the full address. I had often wondered where you were. You are the first "Eagle" to be discharged from the service. Maybe some more will be coming back now. I hope so. There are still eleven more in the army and navy. Day Irvin, Brown, Manning, and Parks are in the French invasion forces.

Well we have just about completed our plans for spring training. We are training in Richmond and will stay at the University (Virginia Union). We had planned to go to camp April 8th, but have decided to take the pitchers April 1st instead, as we are playing a game on the 15th. Let me know right away if you can meet us there, and I will send you your ticket. I will give you \$200.00 a month, and will give you \$20.00 a week while you are in camp, plus your room and board.

As things stand now, we have a pretty good team lined up. Matthews is coming back to us this year, we have Pearson, Dandridge, Wells, Watkins, Harvey, Davis. All these men represent hitting for the infield and outfield.

Please answer right away, and let me know if you could meet us in camp April 2nd, or the night of the 1st would be better. Will be looking to hear from you, so I will know whether to plan for you or not.

Very Truly Yours
